

Suggsted artwork size for large promotional table

Dear customers/artwork designers:
Please be advised that the suggested size of artwork printings should be displayed in landscape format, dimensions are 2200 x 990 mm

-  = Max front display area (1250 mm x 990 mm)
-  = Suggested logo/content display area (1080 mm x 900 mm)

Sample one : text contents/logo+pure colour background

Example :  = FRONT DISPLAY AREA  = PRINTING AREA

 Result of print ready artwork

Front view of the printed promotional table

 Result of over-enlarged artwork

Front view of the printed promotional table

For other types of background + logo/content design

Sample two : text contents/logo + background image

 = Printing area  = Front display area

Suggested design:

Keep most of the main contents/logos within the front display area

Front view of printed promotional table

Do not enlarge the logos/contents to cover the whole printing area
